   Acreage approx 3 acres

4. Historical Significance (Chain of Title, Families and Events, etc., connected with the property)

5. Architectural Significance (Note interesting interior and exterior details, etc., cite significant alterations and additions)

The house on rt 627 is typical of an early 19th century center hall story and a half one room deep plan found in Surry (Warren Crossroads House) Nansemond (Pulley House, W. Holliday House) and Isle of Wight (original block of the Nurney Farm). Frame with some early beaded weatherboard surviving at the end gables, the House on rt 627 has an exterior chimney at each end laid in three course American bond with stepped double weatherings. Also laid in Three course American bond are the foundations and deep English basement. Only a three bay plan the house still retains its original exterior doors and window sashes. The interior was not open for examination.
